1. Find where YOU are on the chart (your weekly income/giving).
2. Take one step forward toward the next level of giving in the coming year.

***As Christians we are encouraged to grow in our giving in response to our blessings. As we recognize the gifts that God has provided for us, we are able to share a portion with others. Being a proportionate steward is our way of giving in relation to our abundance.***

***Please consider how God has blessed you. We invite each household to grow to the next step for the coming year. By taking the next step, you are putting God first and living your faith!***
